ERCP: Changing Algorithms, Changing Outcomes

Tuesday, October 21, 2008  
7:00am - 8:00am

**Location:** Hall F2, Vienna UEGW Conference Centre

**Chairman:** Pr. Paul Fockens - The Netherlands

"This is a unique opportunity to learn from renowned experts presenting their experiences on an exciting range of new ERCP techniques and their impact on patient care." - Pr. Paul Fockens

Orator	Topic	Country
Pr. Horst Neuhaus	SpyGlass™: A Different View on ERCP Challenges	Germany
Pr. Guido Costamagna	Metal Biliary Stenting :New Technology, New Algorithms?	Italy
Dr. Marco Bruno	Evolving techniques for effective and safe cannulation of the biliary or pancreatic duct	The Netherlands

**WallFlex™  
RX Biliary Stent  
System**  
Flexibility.  
Full length radiopacity.  
Radial Force.  
[Learn More »](#)

**SpyGlass™  
Direct Visualization System**  
Designed to provide a direct intraluminal view of the biliary duct system...
