INVITATION TO PARTICIPATE

Dear Colleagues

The goals of the European Society of Gastrointestinal Endoscopy (ESGE) have always been underpinned by the fundamental aims of increasing quality of care, establishing guidelines for best practice and developing educational programmes.

Over the past years, the ESGE has grown steadily with regards to both scope and following. With an individual membership base approaching 2000 physicians, we feel that the time is right to launch an ESGE annual event, specifically developed with our membership in mind.

Our first congress, ESGE Days 2018, will provide an ideal interactive arena to discuss, debate and disseminate with all the key players in the field of gastroenterology.

The Scientific Committee developed an exciting programme. Join us in Budapest for the long awaited, inaugural ESGE Days 2018.

We look forward to welcoming you in Budapest.

Professor Thierry Ponchon
ESGE Days 2018 Chairman
